Governance & accountability

5 7 8 9 16

Skills & technology

4 5 9 10 17

Areas of special emphasis

Fragile States

Agriculture & food security

Gender

AfDB 'High 5' priority areas

Light up & power Africa

3 4 5 7 9 13

Feed Africa

2 5 13

Industrialise Africa

5 7 8 9 12

Integrate Africa

6 9 17

Improve the quality of life for the people of Africa

3 4 5 6 8 10 11

High 5 Agenda

What the Bank will deliver

**Light up &
power Africa**

+162 GW electricity generated
+130 million on-grid connections
+75 million off-grid connections

Feed Africa

+300m people adequately fed
+100m people lifted out of poverty
+190m hectares with restored productivity

Industrialise Africa

Industrial contribution to GDP increased by 130%
35 industry clusters supported
30 PPPs developed & strengthened

Integrate Africa

Building regional infrastructure
Boosting intra-African trade & investment
Facilitating movement of people across borders

**Improve the quality of life
for the people of Africa**

Creating 25 million jobs
Building critical skills
Improving access to water & sanitation
Strengthening health systems

How it will deliver it

**Move closer to our clients
to enhance delivery**

**Reconfigure HQ to support regions to
deliver better outcomes**

**Strengthen the performance culture
to attract and maintain talent**

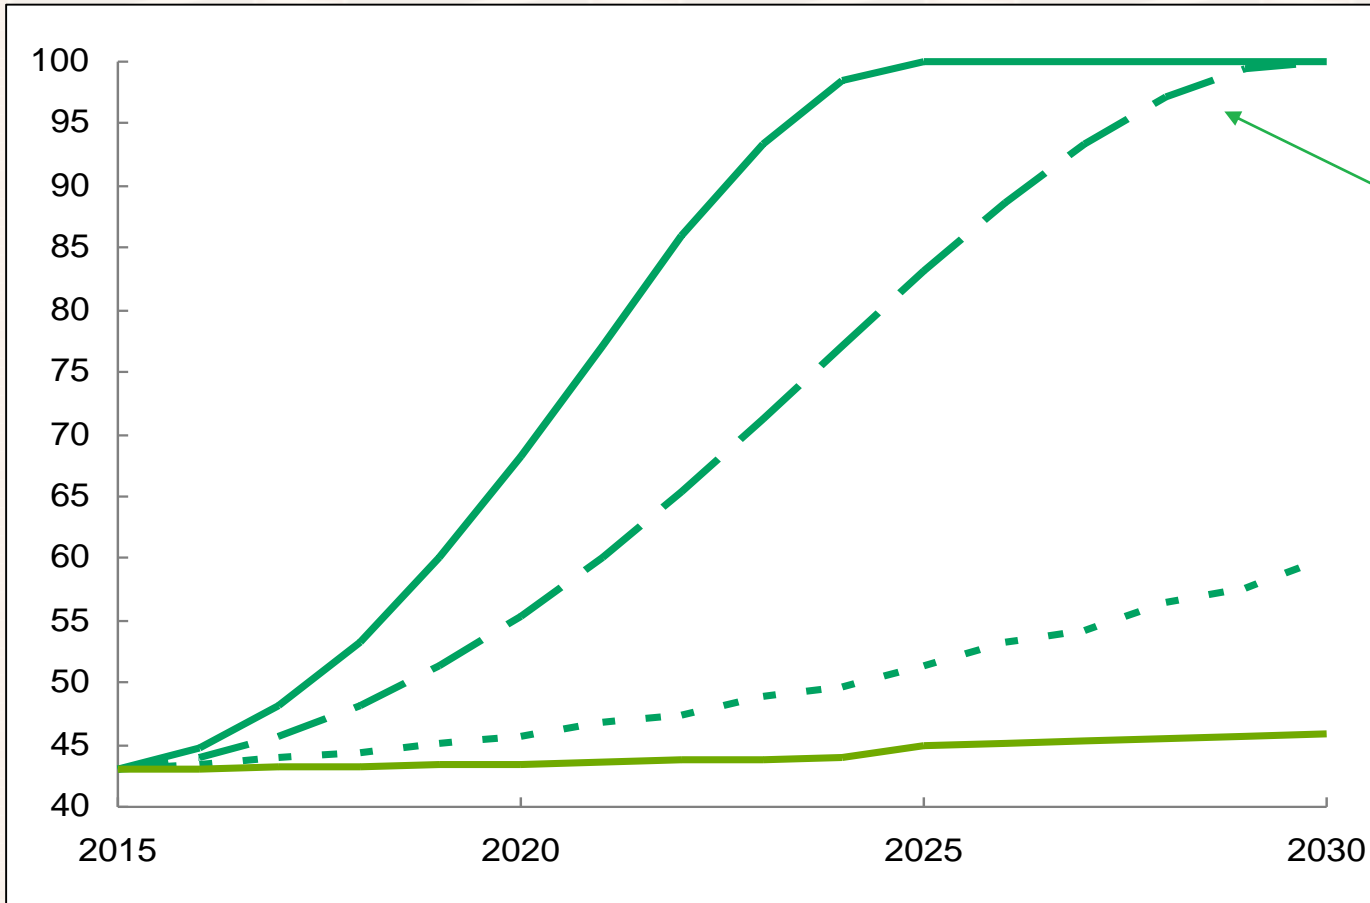

**Streamline business processes to
promote efficiency and effectiveness**

**Improve financial performance
and increase development impact**

High 5: Light up and power Africa

Electricity access in Africa, population %

New Deal:

Universal access in 2025

SDG7:

Universal access in 2030

Africa Power Initiative:

80% access in 2040

No change: 45% access in 2025

New Deal on Energy for Africa

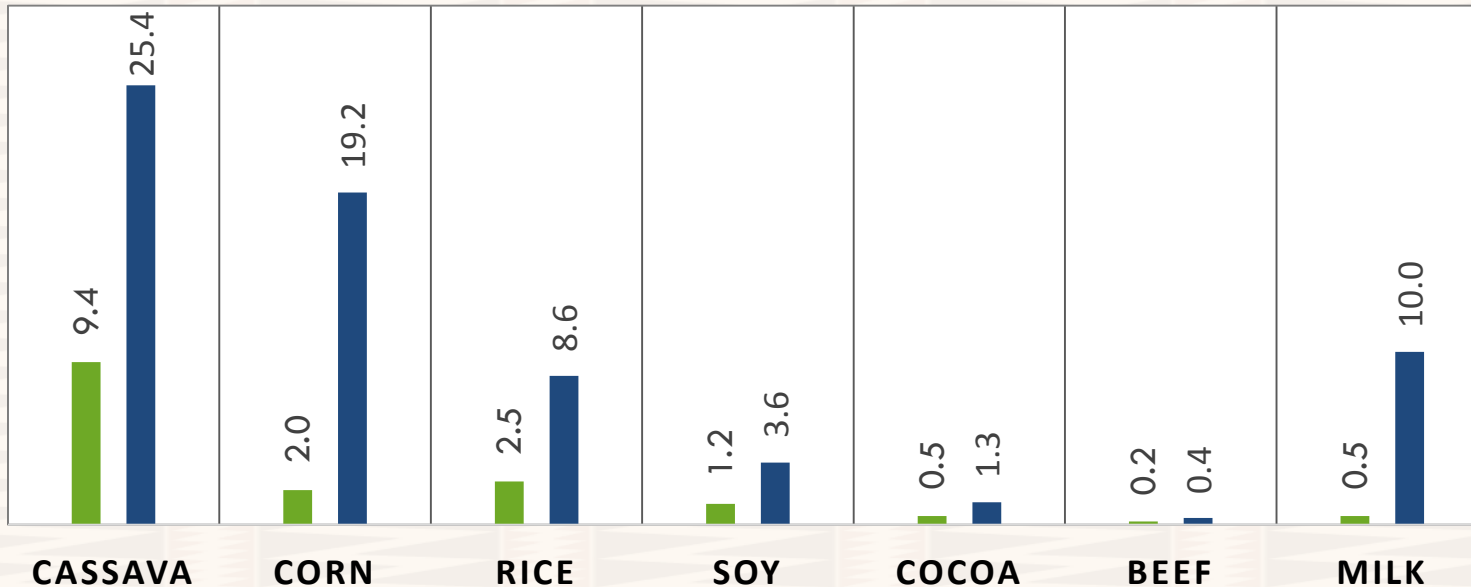

Targets for 2025

- **+162 GW** electricity generated
- **+130 million** on-grid connections
- **+75 million** off-grid connections

High 5: Feed Africa

Low Productivity – Average Yields in Africa vs. Best Practices
(Tons/Hectare or Animals, 2013)

Targets for 2025

- **Zero** hunger and malnutrition
- Africa's net trade balance – **\$0 billion**
- Africa share of market value for processed commodities increased by 40%

36% of African children are stunted

Staggering food net food import bill of **USD 35.4 billion** per annum

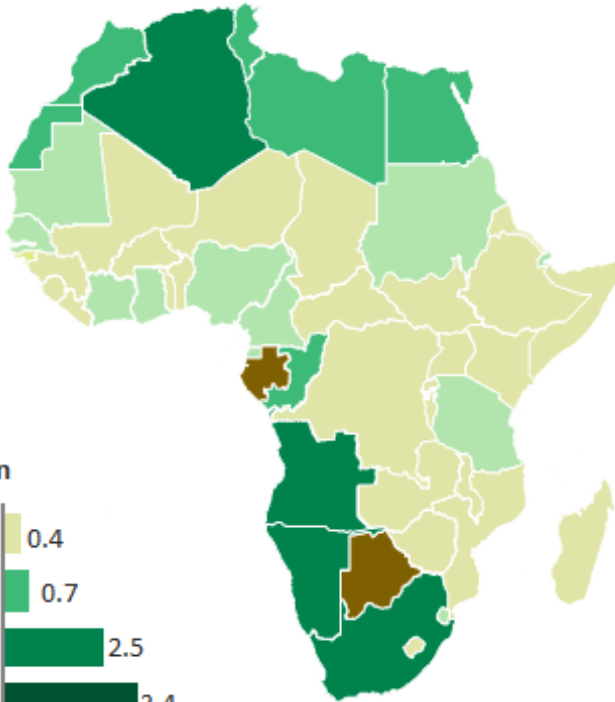

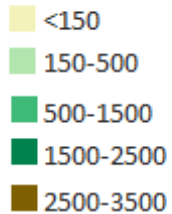

Low value addition to agricultural commodities and primary production

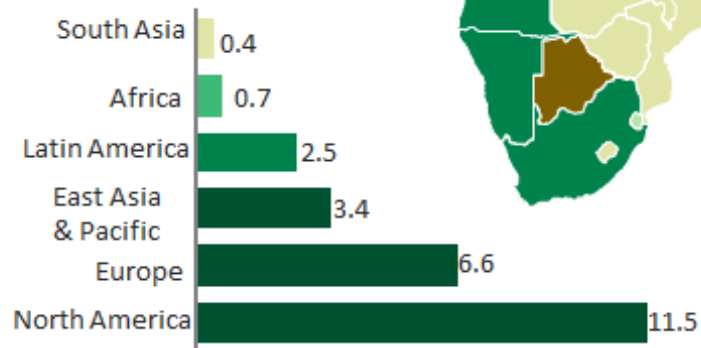

High 5: Industrialize Africa

Per capita industrial GDP remains below 1500 USD in ~45 African countries, lower than in most other regions

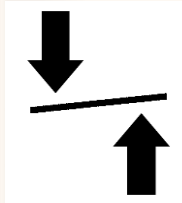

Industrial GDP per capita, USD, 2014

Average by region

Share of the global manufactured added value

<1.5%

Share of processed products in exports

<30%

Industrialization Strategy For Africa 2016-2025

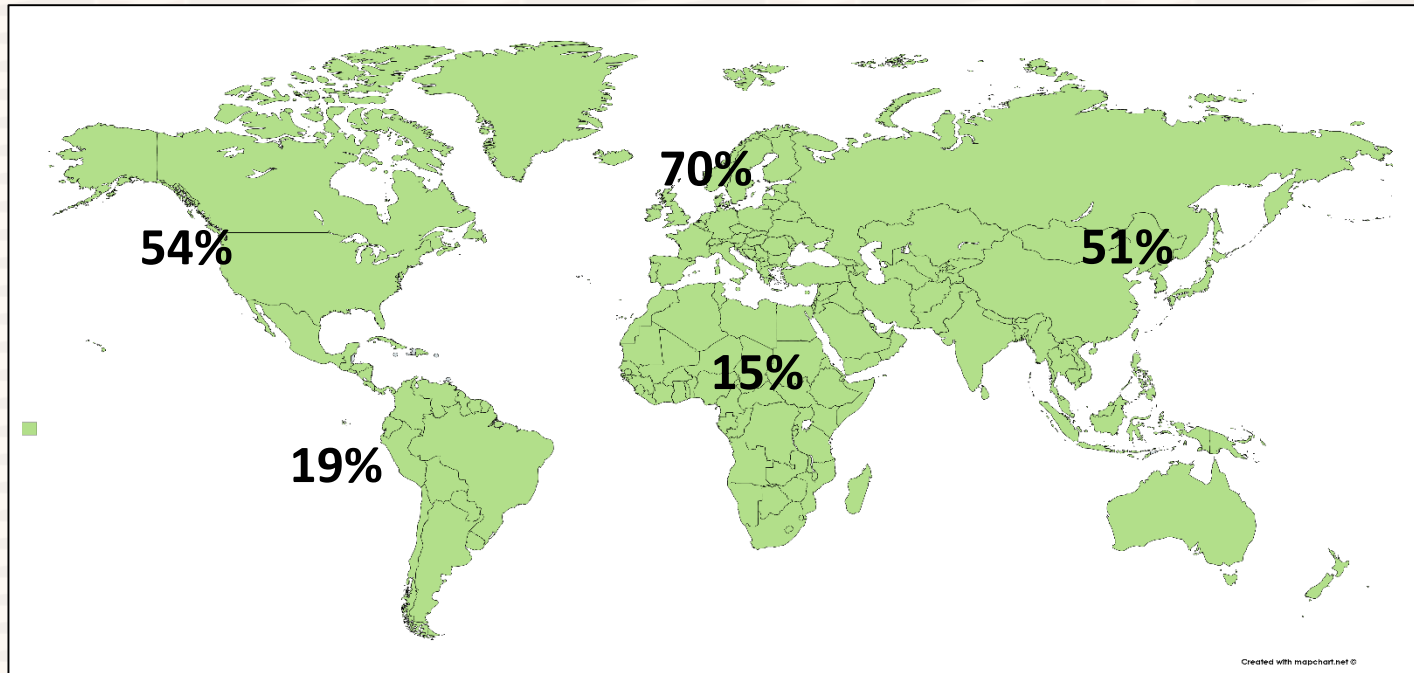

Targets for 2025

- Industrial contribution to GDP increased by 130%
- 35 special economic zones supported
- 30 PPPs developed & strengthened

High 5: Integrate Africa

Limited intra-African trade

Annual cost for the economy (%GDP)

1% to 1.5%

Transportation cost

70% > than in Asia;
50% > than in Latin
America

Regional
Integration Policy
and
Strategy
2014–2023

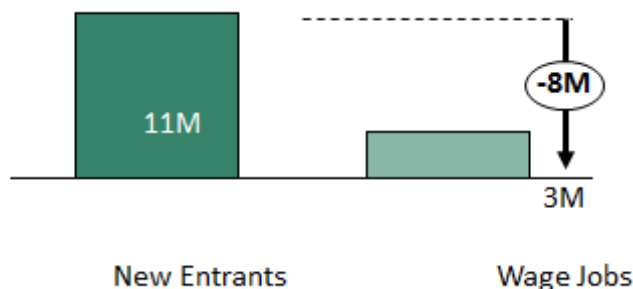

Targets for 2025

- Intra-African trade representing **52%** of total trade
- **US \$172 billion** saved in transportation cost
- **No visa** requirements for Africans travelling across Africa

High 5: Improve the quality of life for the people of Africa

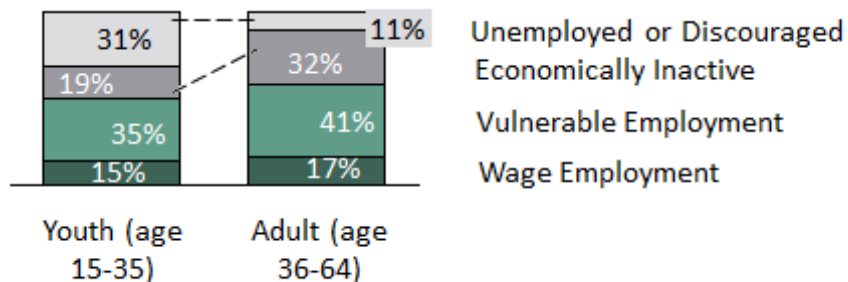

Demand for jobs exceeds supply by 8M jobs each year

New entrants to the labor market and wage jobs created annually
Millions, average per year

31% of African youth are unemployed or discouraged

Employment status in Africa, by age
% of age group, 2015

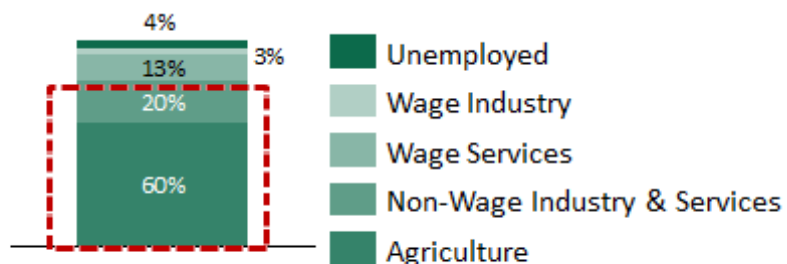

Jobs for Youth
in Africa
Initiative

Targets for 2025

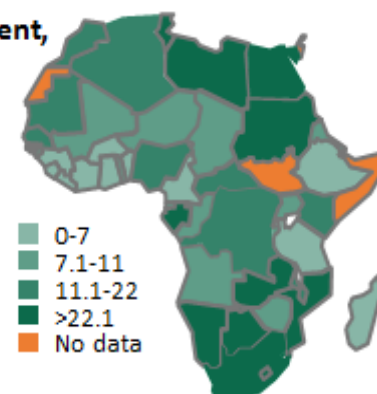

For those employed, 80% are in the informal sector

Distribution of employment in sub-Saharan Africa
% of total labor force, 2010

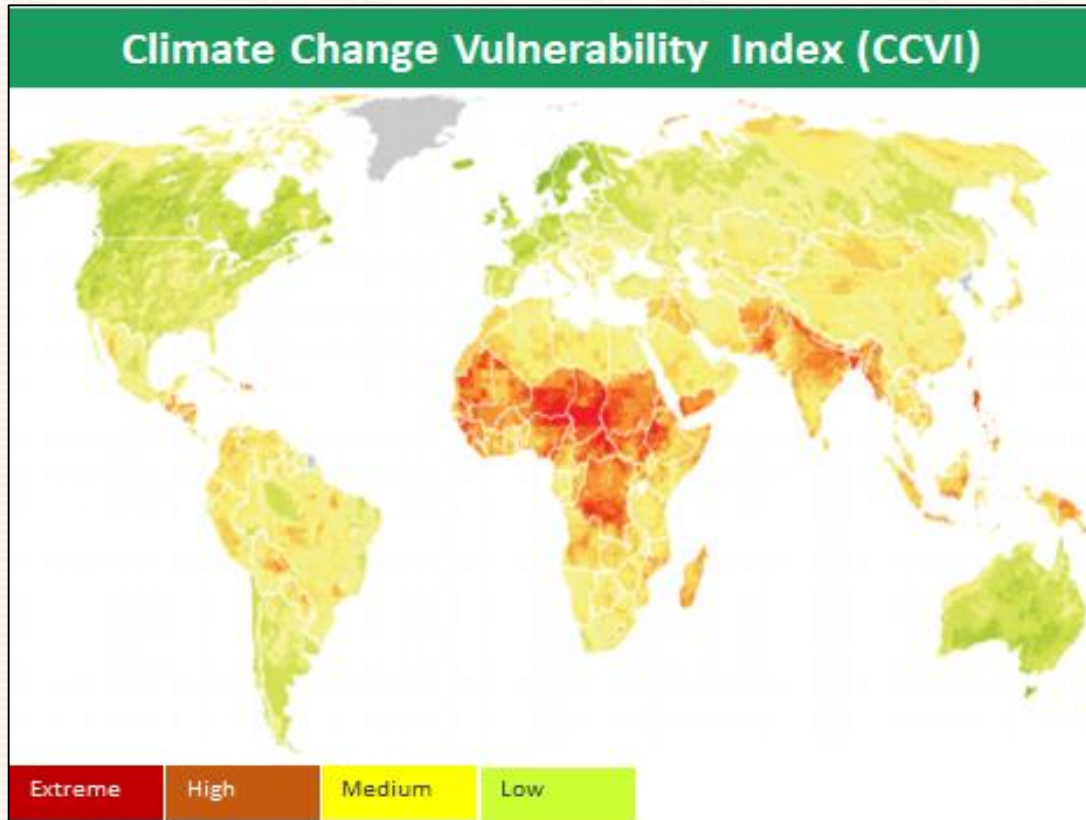

Lack of opportunity affects youth in every country

Youth unemployment,
by country
%, 2015

- 25 million jobs created
- US \$30 billion in income gains for the African economy
- Improving access to water & sanitation
- Strengthening health care & educational systems

Cross Cutting Area: Climate Change

Targets for 2020

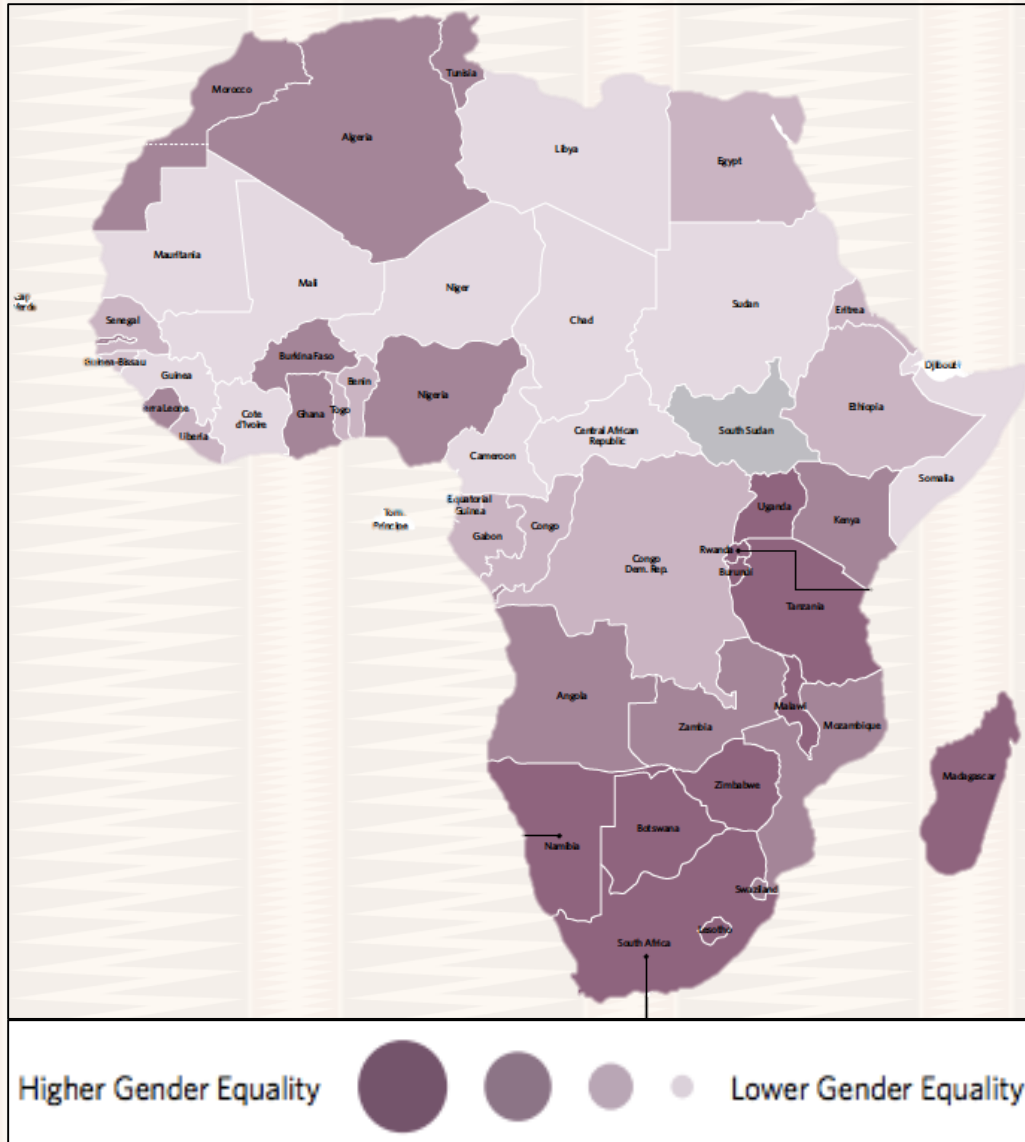

- AfDB will almost triple its annual climate financing to reach **USD 5 billion a year by 2020**
- **40%** of project approvals
- Increase Climate Smart Projects from **80% to 100%**
- Strengthening health care & educational systems

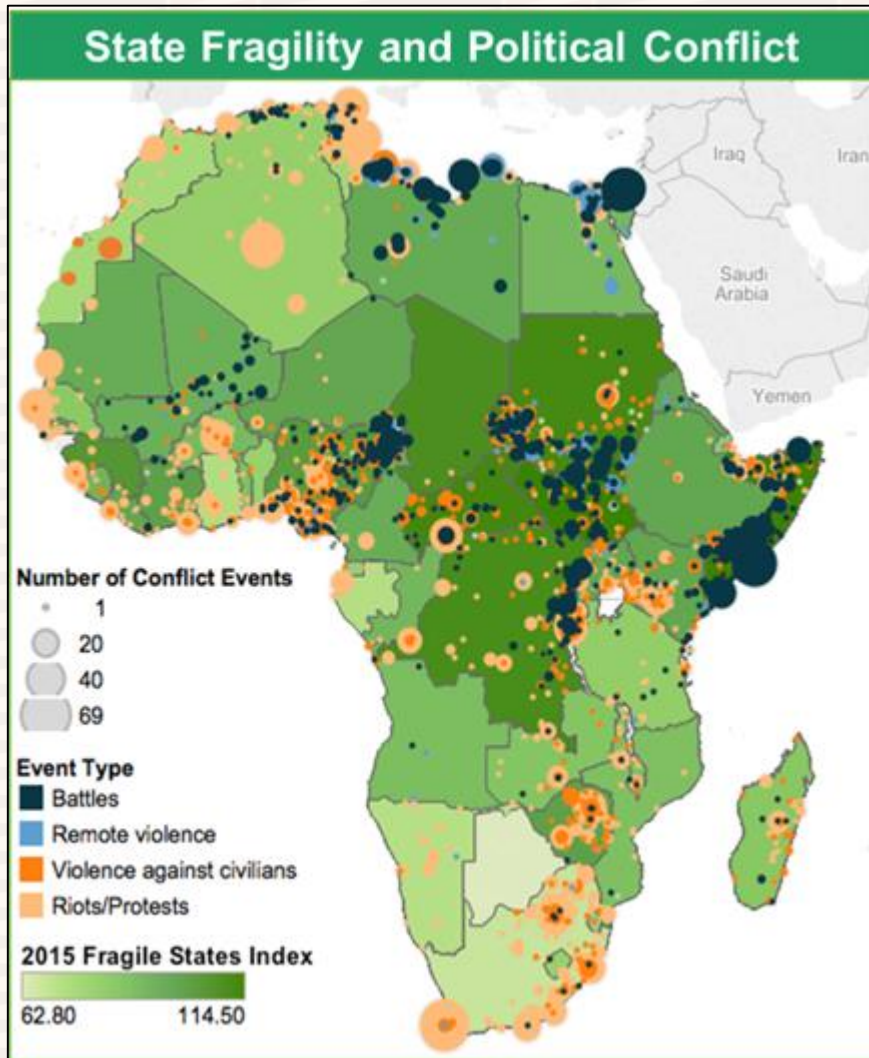

The cost of climate change for the continent is estimated to reach **USD 45-50 billion per year by 2040** and up to **7% of Africa's annual GDP by 2100**

Cross Cutting Area: Gender

Africa: Gender Equality Index

Cross Cutting Area: Fragility

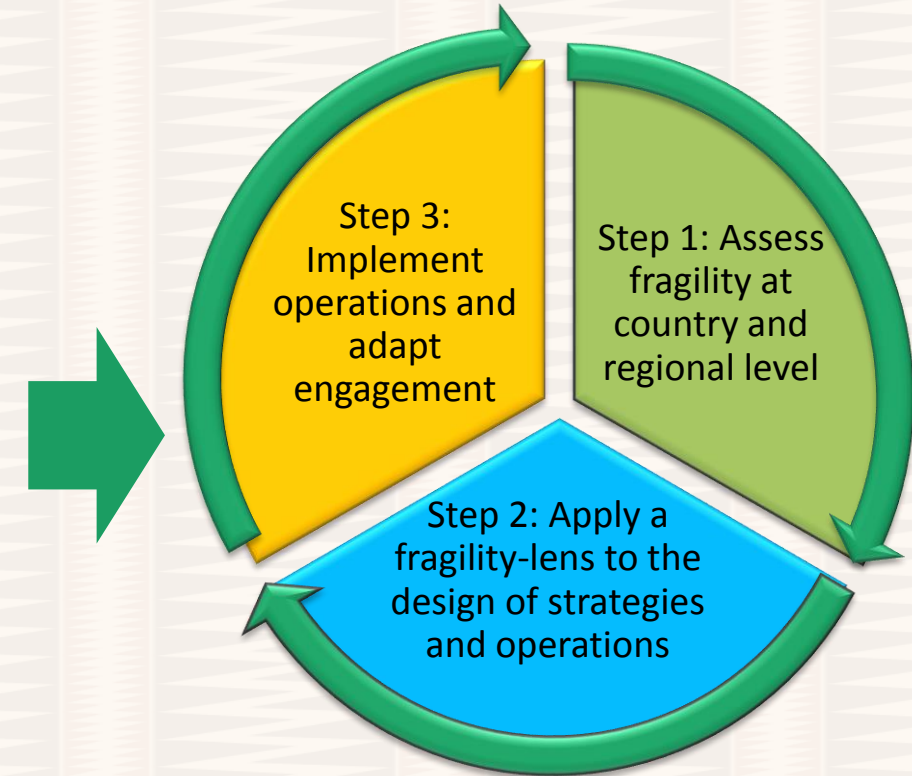

Source: Fund for Peace, 2015

Monitoring Fragility

Category 1
High risk in
countries and
regions

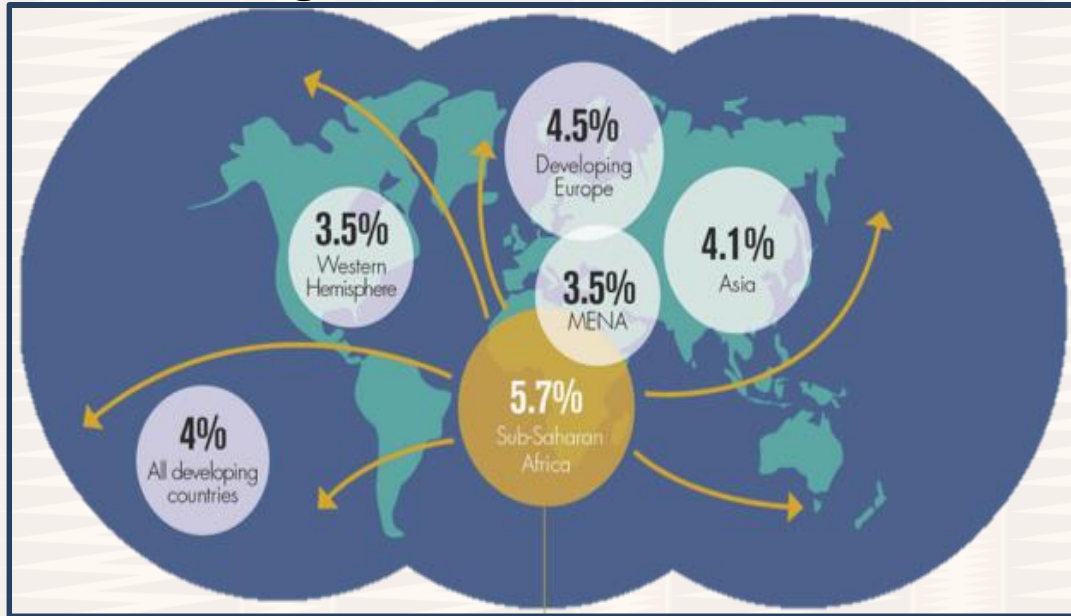

Category 2
Medium risk
through
regional spill-
overs or
national
deterioration

Category 3
Low risk with
stable outlook

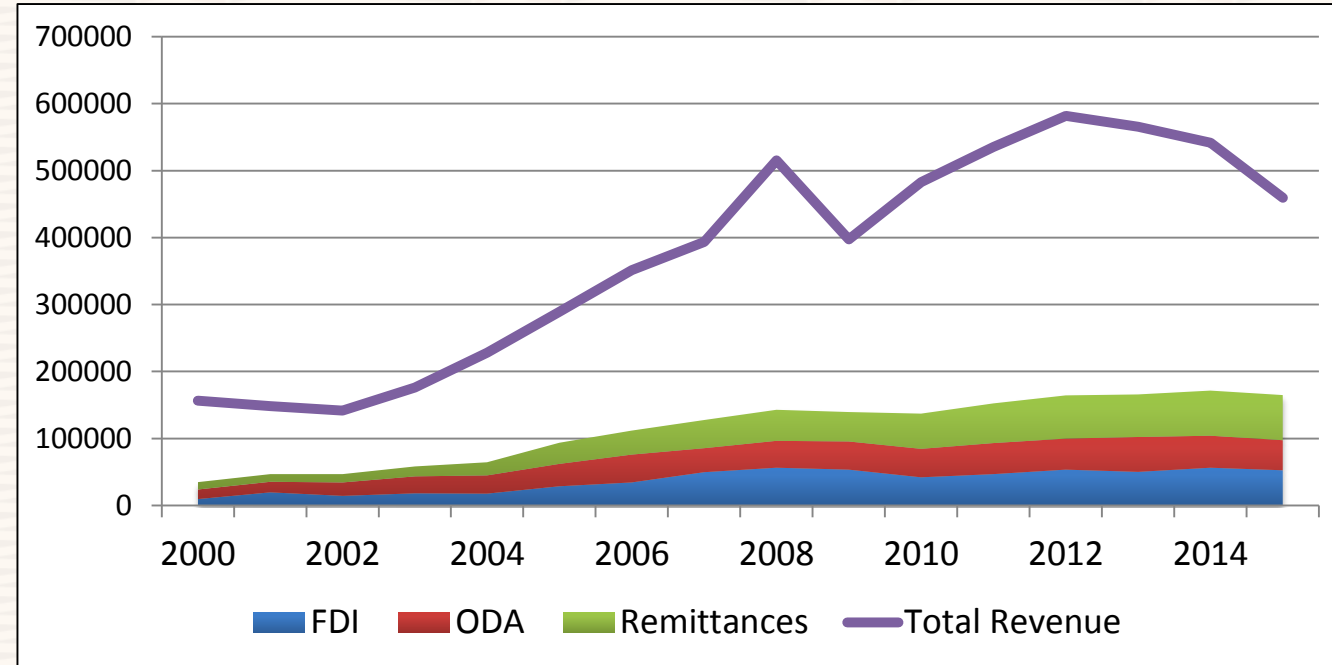

Cross Cutting Area: Governance

Percentage of GDP that regions are losing in Illicit Financial Flows

African Resource Mobilization

- ➡ Total illicit flows out of Africa = **US\$50 billion every year**, equal to **5.7% of Africa's GDP**
- ➡ **Tax revenues** account for **less than 20% of GDP** in sub-Saharan Africa, compared to over 33% in OECD countries
- ➡  Only **8 African countries** rank in the top 100 of the **Doing Business 2016** Rankings

Thank you
