

AFRICAN DEVELOPMENT FUND (ADF) PBA SYSTEM REFORMS

ADF-13 MTR

Abidjan, Côte d'Ivoire

November 11-13, 2015

ADF-13 PBA REFORMS – BETTER ALIGNMENT WITH THE TEN YEAR STRATEGY

ADF-14 WORKING GROUP TAKE AWAY

Context:

Fragility Lens

Response:

Prevention
approach: ex-ante
vs. ex-post

Implications to the PBA System:

- Vulnerability
- Higher weight to needs component

ISSUES FOR GUIDANCE

- Do Deputies wish to investigate the benefits of capturing vulnerability in the PBA?
- Do Deputies wish to revisit the weight of different components of the current PBA formula?
- Are there any other PBA-related issues that deputies would like to consider during the first ADF-14 replenishment?

THANK YOU
