

Review of Bank Group Engagement in Fragile States

Helene N’Garnim-Ganga
Resident Representative Mali Field Office

ADF-13

Tunis - 21 February 2013

Outline

1. Fragility
2. Resilience
3. Transformation

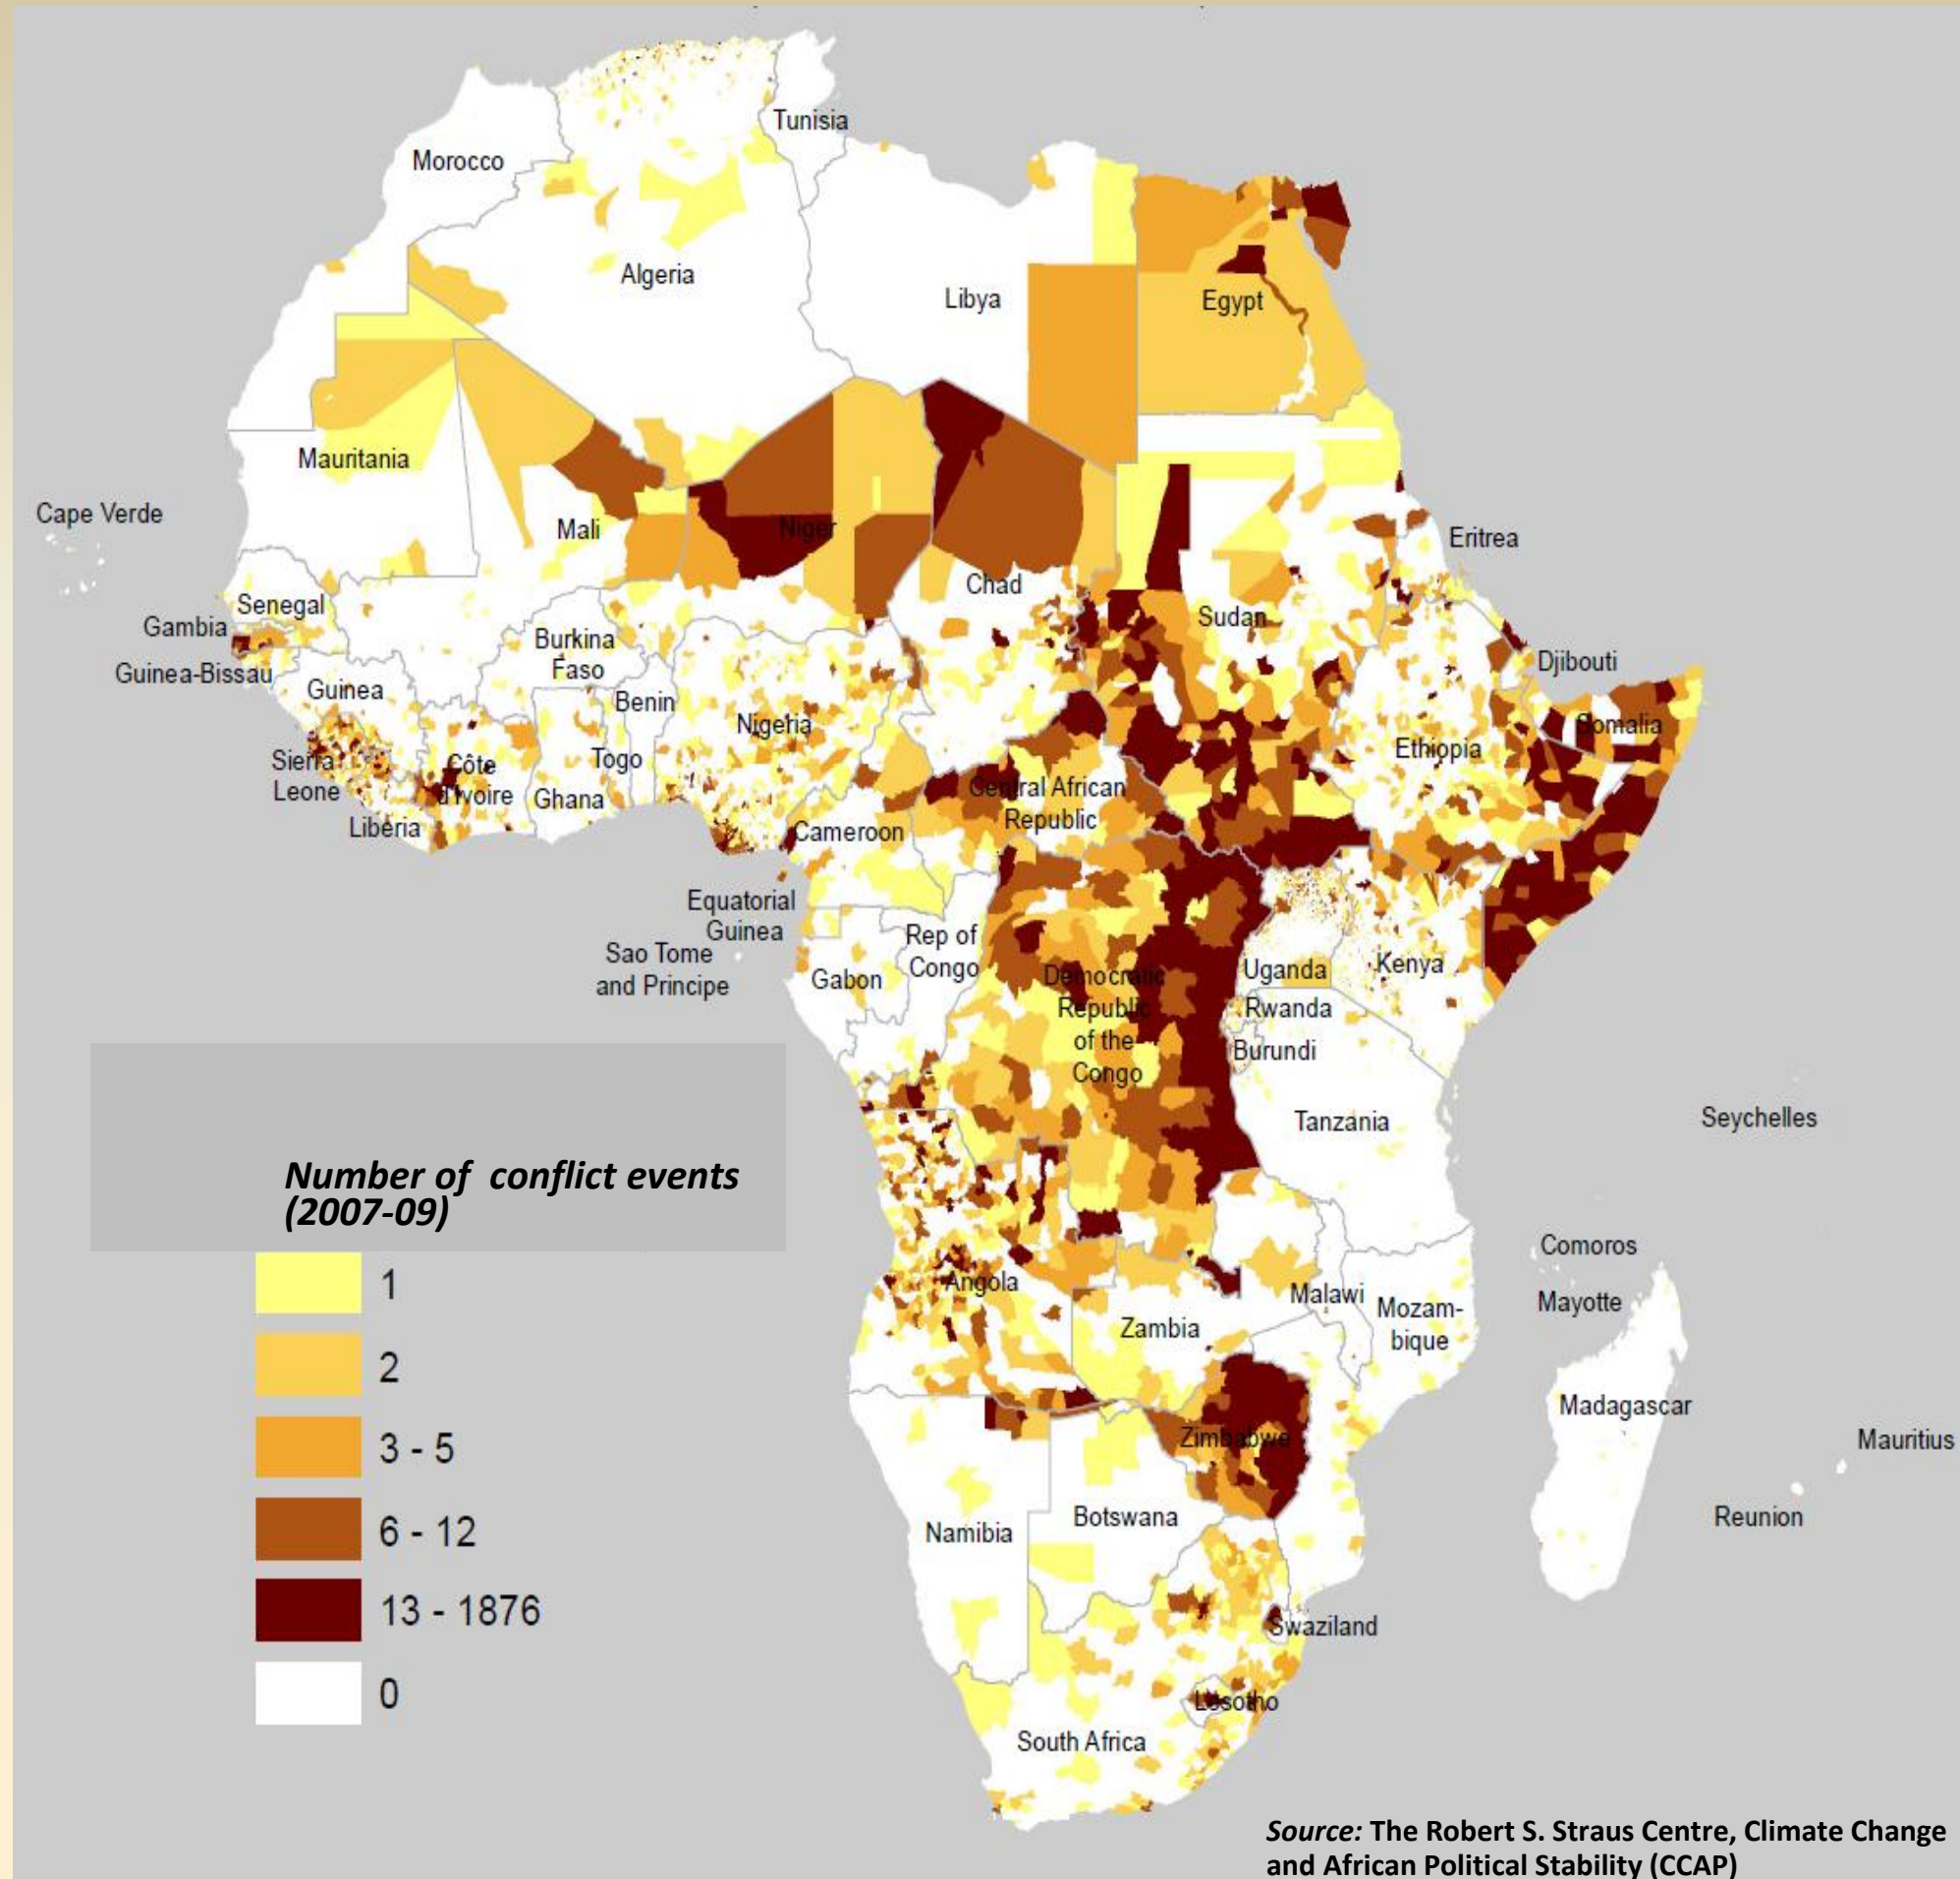

Fragility....

19 countries (17 ADF)

200 million people

2015 MDGs off-track

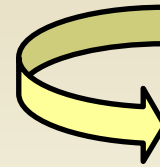

Building resilience

Liberia: Rebuilding after a mortar blast

AfDB unique advantage

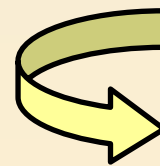

Legitimacy , trusted partner,
strategic selectivity &
partnerships

Context-tailored approach

Improved flexibility,
responsiveness and quality

Fragile States Facility

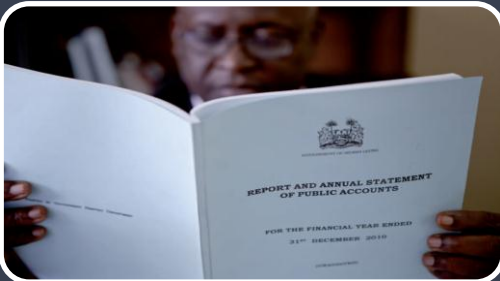

Enhanced and predictable
resources

ADF-13

Building resilience

Public finance management & economic governance

**Transparency & accountability;
Competitiveness and business-enabling environment**

**Infrastructure rehabilitation & construction;
Basic services delivery post-crisis**

Capacity building, TA, pre-arrears support

Update on arrears clearance

Sudan

- meets most of the technical requirements
- Bank providing TA to address remaining challenges and readiness for arrears clearance

Zimbabwe

- arrears clearance strategy in place
- eligibility for debt relief pending
- Bank providing TA to reconcile external debt data

Somalia

- Somalia Enhanced Program

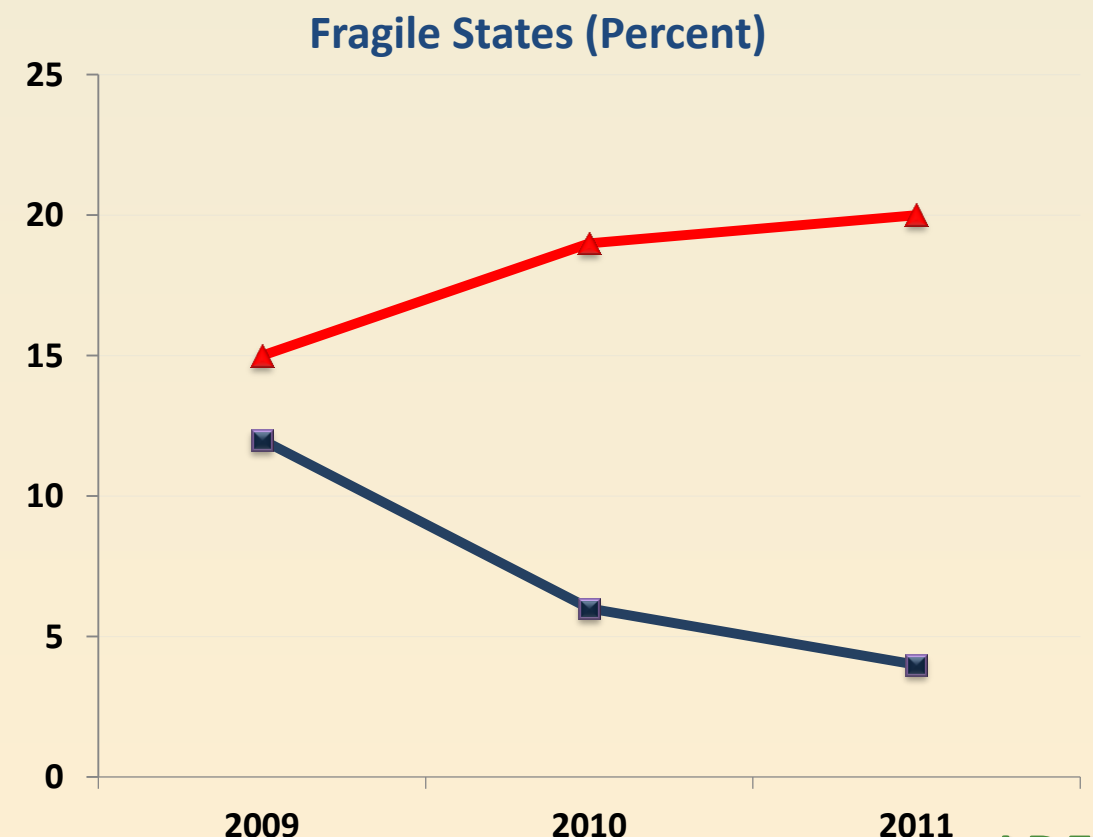

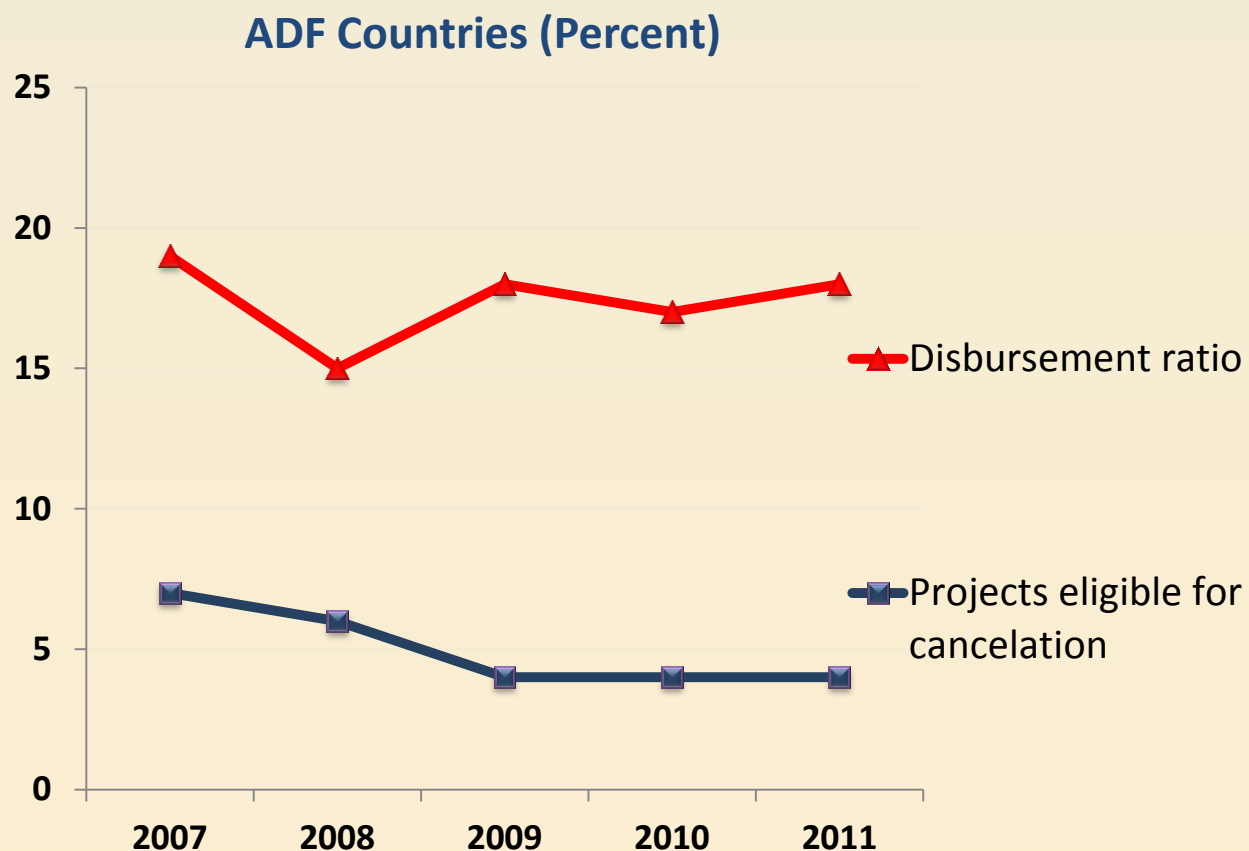

362 million available in ADF-12 to be rolled into ADF-13 if unused by 2013

ADF-13

Results, quality and effectiveness

- positive trend of results, but progress is slow and uneven
- operational effectiveness is improving, but more should be done

Country presence is contributing to better portfolio management

ADF-13

ADF-13– positioning for transformative change

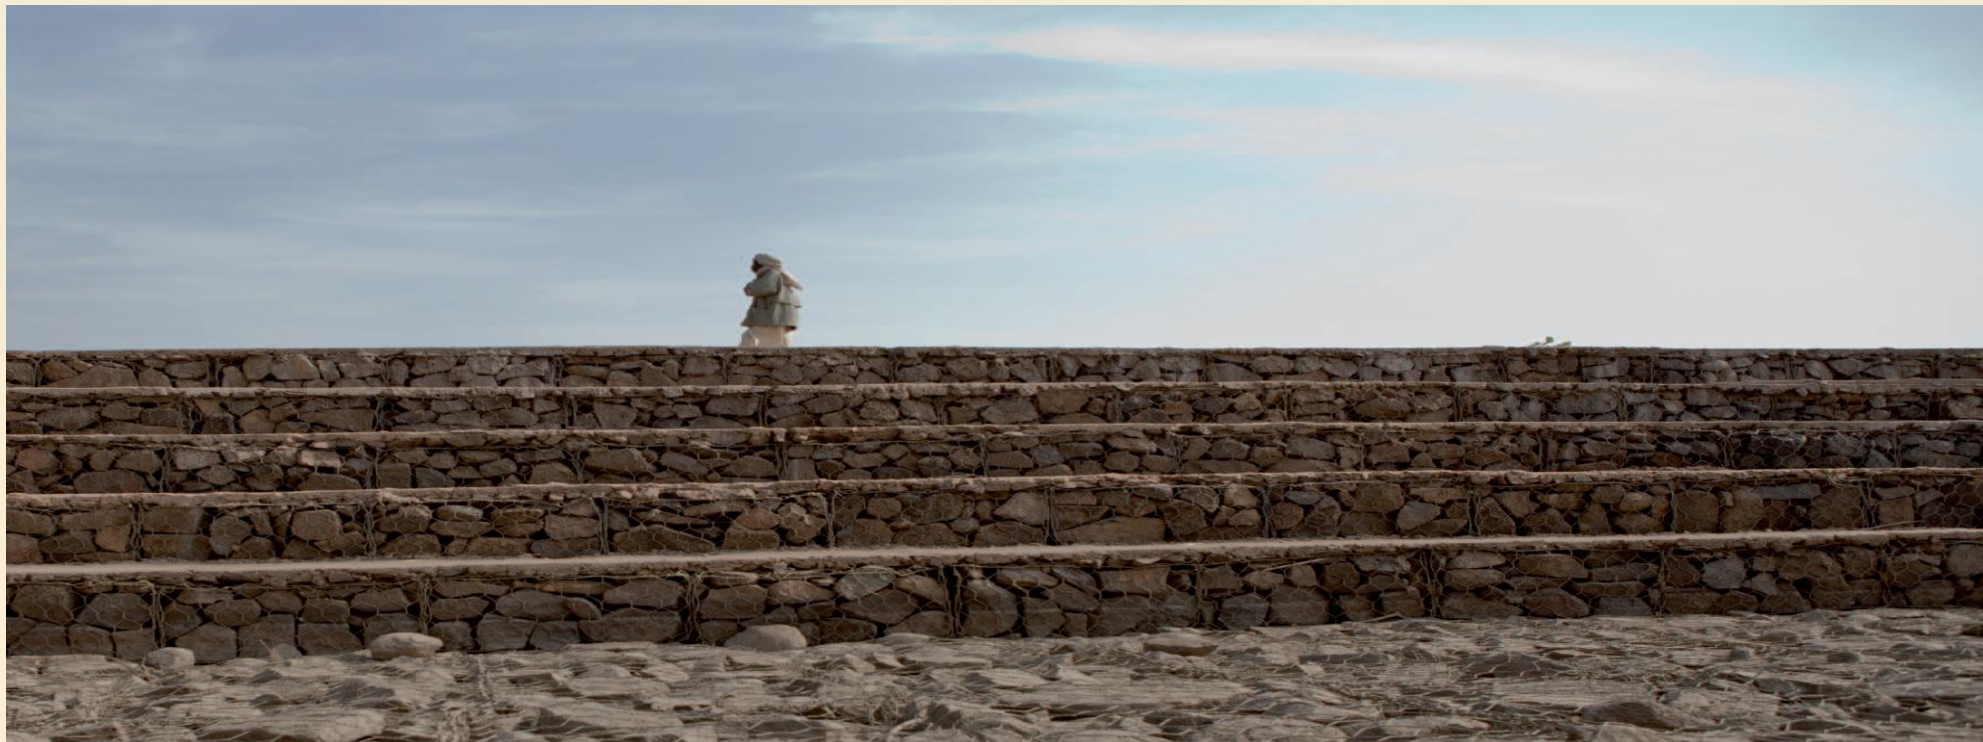

- ▶ Revamp strategy
- ▶ Shift in mind-set: *“fragility lens”, regional dimension*
- ▶ Strengthen delivery
- ▶ Scale-up resources

ADF-13

ADF-13: Positioning for transformative change

- much has been achieved
- much more needs to be done
- reversal is not an option

ADF-13

towards a brighter future....
