

***Additional Information: Proposed
Adjustments to the Bank Group
Framework for Engagement in
Fragile States***

Senait Assefa
Resource Allocation and Mobilization Unit

ADF-13

25 September 2013

Overview

- 1 Recap of the second meeting
- 2 Decision items – proposed adjustments
- 3 FSF resource requirements
- 4 Conclusion

Fragility.....

.....Resilience

Transformation

Proposed Adjustments

a more Effective, Responsive and Flexible support

ADF-13

improved approach for assessing fragility and FSF eligibility

Current approach

- CPIA <3.2
- Peacekeeping or Peacebuilding mission

Introduce additional qualitative measures

- Assess dimensions not captured by CPIA

Modify first-stage eligibility criteria

ADF-13 pilot: Country Resilience and Fragility Assessment (CRFA) framework

ADF-13

...enhanced responsiveness

- retain a portion of Pillar I (10%) unallocated
- allow exceptional access to a country's PBA

FSF Pillar I financing terms

– *alignment with PBA grant/loans mix*

Support to African Legal Support Facility

Build Local
Legal Capacity

Support for
Legal
Representation

Drafting of
Concession or
Contract

Vulture Fund
Litigation

FSF resource envelope under ADF-13

Pillar I: supplementary resources to support 15 potentially eligible countries

- UA 531.2m + (10%-12.51m): UA 571.8

Pillar II: additional resources to clear the arrears of Somalia, Sudan and Zimbabwe

- UA 179.83 million

Pillar III: continued support for capacity building; and resources for ALSF

- UA 44 million (average of two previous cycle)

- UA 16 million for ALSF

Total (15 Pillar I countries) UA 811.6 million

**Building
Resilient,
Capable and
Accountable
States**

Conclusion

- Endorsement of proposed adjustments
- Agreement on the size of the FSF – *to be discussed during the session on ADF-13 Replenishment and Resource Allocation Scenarios*

The Road to Resilience...

*...and
transformation*
